About Us...

St. Mary's Villa Campus is a Catholic nonprofit, top rated organization situated on 75 picturesque acres in Elmhurst, PA.

For over 92 years, we have been providing only the highest quality of care to our seniors.

In our 112-bed Nursing Home, we provide skilled nursing care, short-term rehabilitation, long term care, and respite care.

In our 64-bed Residence Personal Care Home, we provide assistance to our residents, promoting independence and wellness as well as encourage socialization among neighbors. Residents enjoy a safe, beautiful home environment with staff available to assist with their needs 24 hours a day.

We are a member of Covenant Health which carries on the mission & traditions of the Poor Sisters of Jesus Crucified who founded the Villa in 1924.

In 2010, St. Mary's Villa Campus became licensed as a Continuum Care Retirement Community, with the addition of the Independent Living Apartments in the Residence.

The Villa strives to continue to provide the highest quality care to its residents.

As a nonprofit organization, the Villa relies on philanthropy and major fund-raising events. Each year, our residents benefit from your generosity.

This year we plan to utilize the profits for Resident Equipment.
